GRANT HUGH BROWNE IS SATISFIED WITH HIM AS A HANDICAP HORSE.

T. S. Martin's Fall in the Steeplechase Costly to Speculators—Flynn Starting Machine to Be Tried at Belmont Park.

New York, October 5.—A copious precipitation during the night converted the Brighton Beach track into a muddy canal. A high-class program of six races, albeit lacking in stake features, was spoiled. The warm, clear weather attracted the usual big off-day crowd. Far West, carrying top weight, 126 pounds, and the most improved horse in training captured the mile and a quarter handicap. This horse was destined for a steeplechaser by his present owner Grant Hugh Browne, but Mr. Browne has changed his mind and the big Montana four-year-old will be entered in next year's important handicaps.

The second of the season's steeplechases for three-year-olds exclusively, brought disaster to the speculators. T. S. Martin, carrying a fortune in wagers, stumbled at the first fence and jockey Gallagher was sent flying over the horse's head. Realm's bad blunder gave Commodore Fontaine sufficient advantage to win.

Whether intentionally or not, the habit of boys wearing numbers where they cannot be seen in gallops preliminary to a race has again become prevalent. A large number of the horses that worked today could not be identified because their numbers faced to the front instead of to the side. Many bettors do not speculate until they have seen the various horses warm up.

To prevent a repetition of the trouble that occurred on Tuesday when George S. Davis was favorite in a race, although a non-starter, John Cavanagh now has a man make the circuit of the ring before each race, announcing that all the horses have weighed in. Until that time the layers are not supposed to put up any odds and those who do will be held responsible for any losses they may incur.

A new starting apparatus developed by J. Flynn will be given a trial at the Belmont Park meeting. It moves eighty feet on a trolley before it springs away from the horses and in that manner a moving start can be effected.

G. B. Morris returned to Gravesend today with his string recently raced at Hamilton, Ont. The veteran horseman will leave for San Francisco in three weeks and will confine his winter campaigning exclusively to Oakland.

"Marty" Bergen, once a well known jockey, is seriously ill with pneumonia.

MARYLAND JOCKEY CLUB'S NEW RACETRACK.

Secretary Riggs Announces the Plans—Location at Halethorpe, Seven Miles from Baltimore.

Baltimore, Md., October 5.—Plans for the new track to be built by the Maryland Jockey Club at Halethorpe, seven miles out of Baltimore, on the Baltimore & Ohio and Pennsylvania railroads to Washington, are announced. The location is admirable, and as soon as financial arrangements are completed work will begin. At this point the Baltimore & Ohio has four tracks, and the Pennsylvania crosses a quarter of a mile south of the station. The Baltimore & Ohio will put in all needed sidings, and will erect a station from which patrons can step directly into the grandstand. The Pennsylvania will also put in sidings.

The property includes 200 acres, which the Baltimore & Ohio company will lease for fifteen years for $2,500 a year, just half of what is paid for Pimlico. An option is given for the purchase of the tract at $300 an acre. The plans include a mile and an eighth track, 100 feet on the stretch and eighty on the turns, with a 650-foot radius and a seven-eighths chute. This can be constructed for $25,000. There is no grading of consequence to be done. The grandstand as planned will seat 3,500. A $20,000 clubhouse is planned. The 600 stalls are to cost $40,000, paddock $15,000, and the total expenditure arranged is $183,000.

The club proposes to increase its capital stock from $80,000 to $200,000, with shares at $100 par. There is now only $22,000 capital stock out. If the club realizes on the old Maryland Agricultural and Mechanical Association note, which cost it $20,000, it will be some $57,000 to the good. It has a lease on Pimlico until next spring.

"We propose to make the enterprise popular, and if we would allow it, the stock would be bought in a minute by New Yorkers," says Secretary Riggs. "We plan to keep the stock in Baltimore, and I think we will succeed. The last three meetings at Pimlico netted a profit of over $1,000 a day. We can count on two meetings, of fifteen days each, under the new laws passed last winter, and the club can easily earn 10 per cent. I expect to see Baltimore boom from now on."

JACK M'AULIFFE'S CHOICE OF COLORS.

Jack McAuliffe, the ex-lightweight fighter, is the latest active addition to the turf. He has always been one of its devotees and he has bought Pierrot, by Disguise—Pretty Maiden, a Keene castoff, and turned the colt over to Archie Zimmer to train. McAuliffe's colors will be significant, a boxing glove on a claret jacket, with claret cap.

EL OTROS WINS FEATURE AT LOUISVILLE.

Is Skillfully Ridden by Mountain—Best Racing of the Churchill Downs Meeting.

Louisville, Ky., October 5.—The racing at Churchill Downs today was the best of the meeting. During the morning there was a drizzling rain, but it did not affect the track or the attendance. The feature race was the handicap at seven-eighths of a mile. It was won by El Otros, which received strong support all through the betting. Mountain gave the colt an excellent ride avoiding the stiff early pace and bringing him away at the end in a determined finish. Devout, the favorite, appears to have gone stale. Don Domo's price receded to a degree that gave rise to rumors that there was "nothing doing" with him. These doubters were not a little surprised that he went away with a burst of speed that forced Omar Khayyam into defeat and lasted long enough to finish in third position.

Missouri Lad, a much improved colt, and considered a Derby prospect, was a pronounced choice for the condition purse over Princess Orna. The Hayes mare, under a strong ride, won a good race. The surprise of the race was the forward running of The Clansman, which not only displayed an abundance of speed, but a good deal of gameness.

Triumphant picked up a nail and had to be withdrawn from the fifth race. Handy Bill ran away two miles after the second race before Nicol could bring him under control. In future his entry will be barred here.

For misbehavior at the post in the opening race jockey Lee drew a fine of $25 from the starter. Nicol, Hudlin and Griffith were fined $10 each. Jockeys Swain and Koerner are additions to the riding ranks.

George Holle arrived this morning and announced that the horses owned by him will be trained by T. L. Pierce. He is looking about for a trainer to take the place of George Ham, who had his license revoked for fraud by the American Turf Association directors.

The stable of M. D. Miller arrived tonight from Hamilton, Ont. About twenty horses will be shipped from here in the next few days for Atlanta, Ga., where a ten-day race meeting begins next Wednesday. Judge Joseph A. Murphy telegraphed here that all horsemen desirous of shipping to Dallas, Texas, for the meeting there must notify him in time.

ROY A. RAINEY'S HORSES OWE HIM MUCH.

In Hands of Billy Garth It Is Expected They Will Make Good—Garth Leads Trainers.

New York, October 5.—The three horses transferred by Roy A. Rainey from the hands of trainer "Bub" May to trainer Billy Garth are Horace E., Sir Wilfred and Computer. It is understood that Mr. Garth will not start either of the horses again this year, but will shortly send them to his farm in Virgina, where they are to be wintered. These three horses cost Mr. Rainey $51,200 and they have returned him in prizes just $1,265. After Horace E.'s victory in the Memphis Stakes at Montgomery Park, he paid Barney Schreiber $25,000 for the son of Bannockburn. For Sir Wilfred he paid $16,200 at the auction of the C. E. Durnell horses at Belmont Park, April 21, and he gave Fred Littlefield $10,000 for Computer after that big son of Compute scored his victory over Bathmaria and Campaigner at Bennings, March 28.

It is true that this trio have appeared in the colors of Mr. Rainey only six times, but there is a general feeling among horsemen hereabouts that had they been better handled they would have been more frequently raced and would have given their young owner a more respectable return for his investment. However, they are good horses and in the hands of a man like Garth, it is expected that next season they will show decided improvement. Sir Wilfred is the only one that has won for Mr. Rainey. He scored in a purse race at Belmont Park, May 12. That was his only start in the colors of his new owner and the race netted him $815. Computer was second at Gravesend May 24 and earned $200. His next and last start was at Saratoga, August 13. He finished last. Horace E. got $50 third money at Saratoga, was unplaced in the Futurity and was given $200 third money in the Autumn Stakes through the disqualification of Dinna Ken at Sheepshead Bay, September 11, his last start.

In the matter of races won, Garth has achieved more than any other trainer in America this year. He began racing at Bennings in March and has sent to post the winners of sixty-eight races. Herman Brandt, who trains one division of Barney Schreiber's stable, is second on the list with fifty-seven winning races. His record dates from January 1. A. J. Joyner, William Walker and Frank Hanlon each have saddled fifty-five winners. Mr. Joyner, however, did not begin racing until the season opened at Aqueduct.

JOCKEY B. MILLER DIES OF HIS INJURIES.

Charles Verplank, Former Jockey, Also Expires at Louisville—Reported Dead Two Years Ago.

Louisville, Ky., October 5.—Jockey B. Miller, whose skull was fractured when Dresden fell with him at Churchill Downs yesterday, died in the City Hospital last night. Miller had been riding for several seasons. His home was at St. George, Staten Island, where his remains were shipped tonight. The American Turf Association will defray all expenses.

Charles Verplank (Monkey Charlie), a well known figure on racetracks, and one time rider, died last night in the City Hospital. Horsemen will defray his burial expenses. In the early part of 1905 it was reported that Verplank had died while at Hot Springs. Judge Murphy, who was then presiding at Essex Park, telegraphed Secretary Woodruff of the Western Jockey Club, for permission to bury him at the expense of the Western Jockey Club. The permission was readily granted, but Verplank showed up in a lively state the next day.

Suzanne forced a fast pace early, but tired slightly near the end. Jay Ward came from a long way back in the stretch and ran a good race. Sallie B. B. tired after going a half. Temple had no mishaps. Comment moved up on the turn, but tired in the final drive. Lady Ethel began slowly and had scant chance with a poor ride.

Scratched—64664² Early Hours, 99; 64960 Miss Anxious, 109.

Winner—B. g, by Rainbow—Fair Gift (trained by H. C. Riddle).

Went to post at 4:40. At post 1 minute. Start good. Won driving; second and third the same. Shining Star was away well and reserved from the fast pace in the early stages, moved up fast when called on and won going away. The Borgian showed the most speed to the stretch, but tired badly in the last sixteenth. Juba regained speed suddenly and, closing a tremendous gap, was going fastest of all at the end. Uncle Henry tired after going three-quarters. Chamblee had no mishaps and was outpaced all the way. Elliott showed early speed, was a contender for the first three-quarters and was eased up when beaten. The Only Way was given a bad ride and can do much better.

Scratched—65004 Whippoorwill, 111; 65001 Sanction, 105.

Overweights—Juba, 1 pound.

ONE "CRITIC" WHO IS OUT OF LINE.

"If Master Walter Miller does not take a brace speedily he is not going to have as much success at Belmont Park, Aqueduct and Jamaica this fall as he had last spring, and he will not go into winter quarters with the reputation of being the greatest rider of the season," says a writer in the Morning Telegraph. "His work at Gravesend was below his standard. He seemed to have lost the address which marked his earlier efforts and his judgment in distance races was abominable.

"Unless he got away from the barrier flying he was almost invariably beaten. He would not take chances to get to the front by the short route home. The inland passage had no attractions for him. He almost invariably took to the outside. No one likes to criticize this boy harshly, because he is such a well-meaning, willing little chap and so unfailingly honest. But he must brace up. Timidity gets nothing at the racetrack and the courageous boy is not injured oftener than the faint-hearted one. Jockeys are paid big fees to take chances. It is as much their duty to run risks as it is the duty of soldiers."

This pencil pusher may be a "critic," but he is not a student of racing. Otherwise he would have known that Miller's riding at Gravesend was a shade better than his average. His general percentage of winners ridden this year is .26. His percentage at Gravesend was .27. It is, everything considered, truly remarkable that this mere child has been able to retain his form through nine months of such strenuosity as has been his. Riding 1,073 races in nine months is work that few jockeys in the history of the turf have done. Here is a record of Miller's riding to and including the racing of October 4.

LATONIA LAKE WILL BE DRAINED.

Cincinnati, O., October 5.—Secretary Dillon of the Latonia Jockey Club, has ordered that the lake in the infield at the Latonia race course be drained. The water was polluted as the result of drainage after the recent fire at the Heile elevator. The foreign matter that poured into the lake killed all the fish and produced an intolerable stench.

HORSES FOR THE OAKLAND MEETING.

New York, October 5.—A representative of the New California Jockey Club, who has been canvassing the owners here in the interest of the meeting at Oakland the coming winter, announces that the following will send to California at the close of the Belmont Park meeting horses to the number set opposite their names:

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

C. A. E., St. Louis, Mo. The bet on Jacobite was a draw.

M. D., Joliet, Ill. Action would be on the first race in which the entry started after the bet was made.

W. M. B., Lincoln, Neb. Daly, ch. g, by Owas—Utility, ran many races on the New York tracks in 1901 and 1902 in the name and colors of W. C. Daly. He also raced as Cuspidor.

J. F. S., Berlin, Ont. The bet on Lady Esther lost. Had she been scratched it would have been a draw regardless of where the other horse finished. The coupling was correct and was because of both horses being trained by the same person.

Winner—Br. f, by Bowling Brook—Argenta (trained by F. Brown).

Went to post at 2:16. At post 2 minutes. Start good. Won driving; second and third the same. Loring, from a striding start, quickly ranged alongside of the pacemaker, passed him on the stretch turn and drew out into a long lead, but finished tiring and driving hard. Oraculum set the pace to the last turn, where he relinquished his advantage, but came again and was wearing the winner down at the end. Gallant Dan closed up steadily into a fast going third. Lady Vera showed superior speed and only tired right at the end. Suada, away poorly, closed up considerable ground. Shackle finished well up. Tileing got away badly and improved his position. Ace High was shut off early. Blue Dale was short and got away badly.

Winner—Br. g, by Gerolstein—Fusee (trained by M. Daly).

Went to post at 2:44. At post 2 minutes. Start good. Won easily; second driving; third easily. Commodore Fontaine was skillfully and patiently reserved in the early running, then moved up and challenged the leader in the last half, eventually wearing him down decisively. Realm blundered badly at the Liverpool when making the second circuit of the course and dulled his speed perceptibly, tiring badly in the last quarter. Souvigny ran forwardly for a mile and then fell away and finished very tired. Dulcian ran palpably short. Amanda H. showed superior speed and fenced finely for a mile. T. S. Martin stumbled at the first obstacle and unseated his rider.

Scratched—64935 St. Kevin, 132.
Overweights—Commodore Fontaine, 2 pounds.

Winner—B. g, by Montana—Touche Pas (trained by J. Miller).

Went to post at 3:40. At post 2 minutes. Start straggling. Won driving; second and third the same. Far West, from a striding start, was skillfully reserved in close pursuit of the alternate pacemakers for a mile and, coming fast, won out with reserve speed through the last quarter. James Reddick, after trailing far in the rear for six furlongs, moved up with a rush in the last half and, in a game closing effort, could not quite get up. Robert Waddell, ran forwardly throughout and, finishing very gamely, is in extra good form. Garnish took command on the backstretch and led to the last turn, where he was overhauled, tiring badly in the stretch. True Boy was closing up well at the end and ran a good race. A. Muskoday showed speed, but quit suddenly on the backstretch and was probably short.

CHAMPLAIN IS INJURED.

New York, October 5.—Champlain, one of the horses donated to the Bureau of Breeding and consigned to H. W. S. Kerritt, Utica, N. Y., was badly injured in a railroad wreck at Albany Wednesday. He was being shipped to his new home when the trouble occurred. From the reports received Champlain's injuries will probably destroy his usefulness for breeding purposes.
